TYLER STALEY

Hello, and welcome to the 2015 Bloomsburg Nationals! I am excited to be back for my second year of running this awesome show. When I took over the event in 2014, I wasn't sure how well I would do with a remote event – it turns out it went great! We saw very healthy growth in all of our areas of attendance, and I contribute this greatly to our fantastic participants who support the show. The crowd here in Bloomsburg truly is a great group of enthusiasts from all ages, backgrounds and brand loyalties.

A few cool features this year include the return of the "World's Largest Demolition Derby," hosted by JM Productions, the often-requested flamethrower show by Flames R Us, live entertainment from the Skyla Burrell Blues Band and Flamin' Dick & the Hot Rods, car games, seminars courtesy of the Pro Metal Shop and the special Movie Car Madness invitational display. We have gathered some very cool cars together to feature in the Industrial building, many of them being tribute cars and even a handful being actual film-used vehicles! Don't miss this cool display of some of America's favorite cars from the big screen. An additional display of eclectic cars is being featured in the Arts and Crafts Building alongside the Pro Metal seminars - so be sure to visit both buildings for some great showcases and activities

When I speak with people who are interested in Bloomsburg, the biggest thing I mention is the comradery and general positive attitude of our attendees. I look forward to this event all year long and cannot thank you enough for your continued support and input, especially our volunteers who make all of this possible. Whether it is your first time here or you've been coming for years, thanks all the same for making it to the 2015 Bloomsburg Nationals and for making this show a success!

## > new fun field policy

We are excited that this event is growing! Please help us welcome new Fun Field participants by sharing the field with their show vehicles. **PLEASE REMOVE ALL CAUTION TAPE, ROPE, RIBBON OR OTHER SPACE-RESERVING METHODS FROM THE FUN FIELD BY 10 AM.** If any is found after that time, it may be removed and tucked behind the tire of the car parked in that area. Thank you for your cooperation.

Proof you can  
color inside the lines  
and still break  
all the rules.

With a dazzling palette of colors and an arsenal of special effects, the only limitation is your imagination. So when you're ready to transform paint and metal into a work of art, spray the choice of iconic customizers and bodacious builders—PPG VIBRANCE COLLECTION®. The art of originality.

### Restaurant Partner

Quaker Steak & Lube is a Pennsylvania-based restaurant chain that has locations across North America. "The Lube," as it's affectionately known, emanated from the western Pennsylvania town of Sharon and now can be found as far west as Colorado, south to Florida and north into Toronto. The Bloomsburg location, situated at 211 Columbia Mall Drive just off I-80, will serve as home base for all things automotive and culinary during this weekend's event. Visit Quaker Steak & Lube online for location-specific specials, including a vast array of award winning wings.

While in Bloomsburg this weekend, consider Quaker Steak & Lube as your prime secondary location when not on grounds. Quaker Steak & Lube is a sports bar with an automotive theme. This weekend, Bloomsburg's QSL hosts a Thursday (August 13) kick-off party from 6 p.m.-9 p.m. The kick-off party will feature a live radio remote from Y106.5 FM and will also afford enthusiasts the opportunity to register their show car for the fun field and the weekend's event.

In addition to the kick-off party on Thursday, Quaker Steak & Lube sponsors a wing eating contest, held on the grounds of the Bloomsburg Fairgrounds. The gluttonous fun takes place Saturday beginning at 12:30 p.m. The contest is open to anyone with an appetite for wings and a penchant competition. The person who consumes the most wings will win bragging rights, while everyone else earns the right to say they ate a lot of wings.

### Dream Machines Motor Club

Having previously worked with a local hospital to host a similar version of this event, the Dream Machines Motor Club has experience with car shows

to say the least. The group, chartered in August of 1991, is lead by President Jack Runge and Vice President Tom Quick. Everyone associated with the Dream Machines Motor Club has a common goal, to promote highway safety and work to help local charities.

Historically, the Dream Machines Motor Club hosts one major event annually with additional cruise-ins taking place monthly. The cruise-in dates are usually the fourth Saturday of each month from April to September at the nearby Columbia Mall parking lot and money realized during many of their outings goes to select charities. Charities include Camp Victory, Salvation Army Children's Christmas, Special Olympics, Bloomsburg Fire Department and more. Details on each cruise-in may be found by visiting [www.thedmmc.org](http://www.thedmmc.org).

Anyone bitten by the automotive and/or charitable bug is encouraged to be part of the Dream Machines Motor Club. Dues range from a minimum of \$20 per person to a minimum of \$25 per family. Club membership ranges from 60-100 families, with many members showing their vehicles regionally and locally.

The Dream Machines Motor Club is proud to be part of the Bloomsburg Nationals powered by Carlisle Events and invites current and prospective members to stop to visit them this weekend as well as at their monthly meetings, held the first Tuesday of each month at the Bloomsburg Municipal Fire Hall.
