## THEIR OIL

## AMSOIL

Testing conducted in an independent laboratory using AMSOIL Signature Series 5W-30 Synthetic Motor Oil against a leading brand 5W-30 synthetic-blend motor oil in Ford\* F-150 trucks with 3.5L twin-turbo engines.

Your bearings shoulder the burden whenever you tow, haul or stomp the gas. AMSOIL delivers powerful protection for bearings and other critical components so you can drive with confidence. To demonstrate, an independent lab put AMSOIL synthetic motor oil head-to-head against a leading competitor in a 100,000-mile test. ## FROM THE EVENT MANAGER

Welcome to Spring Carlisle 2019! I'd like to take a minute to introduce myself. Some of you may already know me since I've been an Event Manager at Carlisle Events for over 12 years. Now I will also manage Spring and Fall Carlisle. As a die-hard car guy, I think it's a perfect fit!

Yes, I am a car guy. For me, it's not a hobby or even a passion – it's truly an addiction! For as long as I can remember I have loved anything automotive. Oddly enough, I do not come from a "car family" so I don't know where I picked it up. I do have to admit, as a teenager in the '80s we did embark on a family project of restoring my mom's 1960 MGA. Yes, it was a classic car but when my mom bought it in 1962, it was just a used car. After she and my dad got married, they kept the MG.

That MG is what first introduced me to the Carlisle car shows. I spent many weekends with my dad and brother walking around the Fairgrounds looking for MG parts. Walking the grounds exposed this impressionable kid to ALL of the other cool cars out there! By age 14, I acquired my first car and today I have more than 20. Like I said, it's an addiction.

I was born and raised in Carlisle so I got to watch Carlisle Events grow and add shows over the years. My first Carlisle event was either Spring or Fall sometime in the early '80s and I haven't missed one since. Maybe it's because I have so many cars, but I've always said the best thing about a flea market is finding things that you didn't even know you needed. While you're walking around, make sure your eyes are always scanning because you never know what you'll find!

## CARLISLE EVENTS APP

The Carlisle Events app takes navigating the event to an entirely new level! Find vendors and then be directed to their exact location with your smartphone’s GPS! Get directions, buy tickets, set reminders based on the event schedule,

connect to our social media pages and see the event guide. Download free from iTunes or Google Play.

## MANUFACTURERS MIDWAY & FLEA MARKET

Visit our partners on the Manufacturers Midway and shop the huge flea market for anything and everything automotive! Experience the thrill of the hunt! While vendor merchandise is required to be 80% automotive, that leaves 20% of our 82 acres for you to find rare, unique and fresh collectibles. Scour the flea market for treasures then choose to either flip them for

a profit or add them to your collection. Vendors are listed alphabetically and by specialty in this event guide. You can also find vendors using the free Carlisle Events app!

## UMI PERFORMANCE

UMI Performance and Carlisle Events have enjoyed a long and successful partnership. From humble beginnings in 2003 to their current status in the industry, UMI Performance has relied on Carlisle Events to attract a steady stream of dedicated buyers for their Made In Pennsylvania USA line of muscle car suspension products, which are available for many GM vehicles from classic muscle to late models as well as products for 1979-2014 Ford Mustang.

Now a fixture on the Manufacturers Midway at three events, UMI Performance attends Spring, Chevrolet and Fall Carlisle with a full staff and a strong customer base. Many customers become car friends and buy something every single time while also enjoying the convenience of cash-n-carry. They are even seeing an ever increasing amount of pre-orders at each event where customers look forward to UMI bringing their kit for pickup at Carlisle.

One of the most exciting events of the year for UMI is the Chevrolet Nationals' autocross and ride-alongs. This partnership has allowed UMI to showcase their products to the public in an exciting, intense environment and provide some thrills along the way. Some of these rides have led to immediate purchases in their booth at the show on the Midway! Come back in June to the Chevrolet Nationals and go for a FREE ride with UMI Performance. You are also welcome to bring your own GM vehicle and participate in the Autocross Shootout, sponsored by UMI.

## JOHN MANCINO AND DAN MATTHEWS

John Mancino and Dan Matthews are vintage petroliana, automobilia and advertising sign heavy hitters who've been coming to Spring Carlisle for almost three decades. Set up as a Carlisle Events vendor, John is the proprietor of Gallery Antiques Store and "Out-front Show Field" in Bouckville, NY on Rt. 20 south of Syracuse. He hosts three events, the first with an automobilia feature. Go to [www.gasstuff.com](http://www.gasstuff.com) or [Madison-Bouckville.com](http://Madison-Bouckville.com) to learn more.

Dan Matthews accompanies John at Spring Carlisle. Dan is a well-known petroliana expert and established by TAC (The Authentication Company). Dan is known by many for doing business in the vintage petroliana, automobilia and advertising signs community. Dan is considered an expert and used by some of the largest auction houses in the country. Dan has authored several books; one of which is "The Fine Art of Collecting and Displaying Petroliana." You can stop by and visit John and Dan at spaces IK 100-103 during Spring Carlisle.

Spring and Fall Carlisle are on the "must-do list" for John and Dan each season. John said "You never know what you're going to find at Carlisle; but you'll find plenty of vintage automobilia, petroliana and advertising signs that will push your buttons!" Collectors, experts and beginners from everywhere understand Carlisle Events offers a treasure trove of fresh unpicked vintage collectibles every season.

Carlisle Events appreciates having John, Dan and your continued support every season!

2018 SPRING CARLISLE AUTOMOTIVE FLEA MARKET

By Ed Buczeskie, Spring Carlisle Event Manager

- 1 BRING CASH**  
The more the better. It's hard to negotiate a deal without being able to pay.
- 2 WEAR COMFORTABLE SHOES**  
It's a lot of walking.
- 3 SUN BLOCK**  
You'll be in the sun all day. It's especially important at Spring Carlisle because it's usually your first prolonged exposure to the sun for the year.
- 4 REMEMBER THE SPACE**  
Take a picture of the space location or write it down. Every space at Carlisle has a disk to designate the space. Don't try to remember the space or the surrounding area. You'll spend the rest of the day looking for it.
- 5 COME EARLY**  
Rare parts and great deals typically happen for the first person to find them. Set up day(s) and the first day of the event are for the serious shoppers.
- 6 ACT FAST**  
If you see a great deal, grab it. If you plan to come back later, it will probably be gone.
- 7 NEGOTIATE**  
It's a flea market so don't be afraid to make a REASONABLE offer.
- 8 EXPECT THE UNEXPECTED**  
Chances are good that you will find something you weren't planning to find so keep your eyes open.
- 9 LOOK EVERYWHERE**  
Even if you are looking for Chevy parts, don't walk past the guy selling Ford parts without at least scanning his space. It might even be cheap since it's not what he typically sells.
- 10 USE THE CARLISLE EVENTS APP**  
Use the FREE Carlisle Events app to easily find your way back to a vendor (if you know the row and space).
- 11 STAY LATE**  
Good deals happen early and late. Vendors are typically more willing to negotiate when they are packing up – especially large items.
- 12 BRING A LIST**  
Our memories aren't as good as we think. Write it down. You can even make a list on your phone. Take pictures of what you need.
- 13 BRING A BAG, CART, ETC.**  
Parts will get heavy so have a way to carry your purchases. Ask the seller if you can leave heavy parts until later; and write down the location.
- 14 HAVE IT HAULED**  
Carlisle Events offers parts hauling. Keep that in mind if you're looking at an engine, transmission, truck bed, etc.
- 15 ASK!**  
If someone has parts for a vehicle but not the ones you need, ask if the seller has it. It might still be in his truck or at home. Even if he doesn't have it, he might know someone who does.
- 16 KNOW THE VALUE**  
Do some homework on the parts you're looking for so you know if the price is a good deal.
- 17 AVOID THE CROWDS**  
When you arrive, go to an out-of-the-way area to start rather than following the herd.
- 18 WALK IT ALL**  
Don't miss any rows. The Carlisle Fairgrounds isn't a perfect grid so make sure you hit every row and space.
- 18 ADVERTISE**  
Wear a hat or shirt showing your "brand" as it might create a conversation – especially if you're into a really obscure brand. Don't be afraid to wear a sign advertising what you're looking for.

Chip Miller was known for his positive attitude and his love of Corvettes. Unfortunately, he lost his battle with Amyloidosis in a few short months because he was not diagnosed until it was too late. Join us in spreading the word about Amyloidosis and raise funds to help science find the cure by attending or participating in any of the 2019 events! Together, we CAN make a difference!

Carlisle Events purchased the site of the former International Automotive Components (IAC) plant, located on Carlisle Springs Road, three blocks from the Carlisle Fairgrounds, in 2008.

The site has been cleared, plans have been made and approved, red tape has been cut, and infrastructure has begun to take shape despite delays due to higher than usual amounts of rainfall.

Homewood Suites is breaking ground this week! Soon to follow will be a full-service restaurant, apartment buildings, car condos, townhouses and more!
